

Handshake Drugs
Wilco

Intro: **C# - F# - E**

C#

I was chewing gum for something to do

F# E

The blinds were being pulled down on the dew

C#

Inside out of love, what a laugh

F# E

I was looking for you

C#

The saxophones started blowing me down

F#

I was buried in sound

E C#

And taxi cabs were driving me around

F# E

To the handshake drugs I bought downtown

They were translating poorly

I felt like a clown

I looked like someone I used to know

I felt alright

And if I ever was myself

I wasn't that night

It's ok for you to say what you want from me

I believe that's the only way for me to be

Exactly what you want me to be
