I do the dishes, I mow the lawn

Even though I know you re not coming home

I try to keep the house nice and neat
I make my bed I change the sheets
I even learned how to use the washing machine
But keeping things clean doesn t change anything

What am I gonna do when I run out of shirts to fold?
What am I gonna do when I run out of lawn to mow?
What am I gonna do if you never come home?
Tell me, what am I gonna do?

 I hate it
D
 I hate it here

 When you re gone
D

I caught myself thinking
I caught myself thinking once again
Have to try to keep my mind out of this
Try not to pretend

I ll check the phone
I ll check the mail
I ll check the phone again and I call your mom
She says you re not there and I should take care

I hate it here
When you re gone
I hate it
I hate it here
When you re gone

I try to stay busy
I take out the trash, I sweep the floor
Try to keep myself occupied
Cause I know you don t live here anymore
