WILCO - Hell is Chrome  
(from the album a ghost is born 2004)  
by idna

**Dm**

When the devil came

**Am**

He was not red

**Bb F Bb**

He was chrome and he said

**F Bb**

Come with me

**Dm**

You must go

**Am**

So I went

**Bb F Bb**

Where everything was clean

**F Bb**

So precise and towering

I was welcomed

With open arms

I received so much help in every way

I felt no fear

I felt no fear

The air was crisp

Like sunny late winter days

A springtime yawning high in the haze

And I felt like I belonged

Come with me
