Hummingbird (Wilco)

[Verse]

**C Cmaj7** x2  
**C Cmaj7 C Cmaj7**  
His goal in life was to be an echo  
**C Em Dm**  
Riding alone, town after town, toll after toll  
**Fm C Cmaj7 C Cmaj7**  
A fixed bayonet through the great southwest to forget her  
**C Cmaj7 Em G**  
She appears in his dreams  
**Am Am(Maj7)**  
But in his car and in his arms  
**Dm Dm/F**  
A dream can mean anything  
**Fm Eb**  
A cheap sunset on a television set can upset her  
**G**  
But he never could

[Chorus]

**Em E/D**  
Remember to remember me  
**Em E/D**  
Standing still in your past  
**E/D# C**  
Floating fast like a hummingbird

[Verse]

**G G/F# Em G/F#**  
His goal in life was to be an echo  
**G G/F#**  
The type of sound that floats around and then back down  
**Am**  
Like a feather  
**Cm**  
But in the deep chrome canyons of the loudest Manhattans  
**G**

No one could hear him

**D**

Or anything

**G G/F# Bm D**

So he slept on a mountain

**Em Em/F#**

In a sleeping bag underneath the stars

**Am C**

He would lie awake and count them

**Cm**

And the gray fountain spray of the great Milky Way

**Bb**

Would never let him

**D**

Die alone

[Chorus]

**G Bm**

Remember to remember me

**Em G7**

Standing still in your past

**C D**

Floating fast like a hummingbird

**G Bm**

Remember to remember me

**Em G7**

Standing still in your past

**C D**

Floating fast like a hummingbird

**A** hummingbird
