If I Ever Was A Child
Wilco

Intro: **C#**

C#   **G#m**
I ve never been alone
                      F#
Long enough to know
                    C#
If I ever was a child

C#   **G#m**
I was tied up like a boat
                          F#
On a button like a coat
               C#
Set free for a while
         Ebm   **F#m**
Well I jumped to jolt my clumsy blood
           C#   **G#m**
While my white, green eyes
C#   **G#m**
Cry like a window pane
                        F#
Can my cold heart change
              C#
Even out of spite?

```
    Ebm              F#m
I slump behind my brain
          C#             G#
A haunted stain never fades
  Ebm                    F#m          G#
I hunt for the kind of pain I can take

     C#                      G#m
And I cry like a window pane
                    F#
Can my cold heart change
     C#
Over night?
   C#                    G#m
So I won t ever want to touch
             F#
Your heart too much
                C#
Or hold you too tight

  Ebm              F#m
I slump behind my brain
          C#                 G#
A haunted stain will never fade
  Ebm                    F#m          G#
I hunt for the kind of pain I can take

C#              G#m
I never was alone
                F#
Long enough to know
                C#
If I ever was a child
