F#   C# (x2)
F#   G# (x2)

Bbm
I ll go, I ll go, I ll go, I ll go for you
C#
I ll fight, I ll fight, I ll fight, I ll fight for you
Ebm
I ll kill, I ll kill, I ll kill, I ll kill for you
C#   **Fm7**
I will, I will, I will

Bbm
I ll go,I ll go, I ll go, I ll go for you
C#
I ll fight, I ll fight, I ll fight, I ll fight for you
Ebm
I ll die, I ll die, I ll die, I ll die for you
C#   **Fm7**
I will, I will, I will

[Verso]
F
And if I die

I ll die, I ll die alone on some
F#   **C#**
Old private hill
F#   **C#**
Abandoned by the mill
F#

All my blood will
G#
Spring and spill
F#
I ll crash the air
G#
and be still

[Verso]
Bbm
You ll wait
With the star from a dream
                         C#
And know that I am gone
          Ebm
You ll feel it in your heart
                    C#
But not for very long

Bbm
You ll rise each day as planned
                         C#
Your will is your command
        Ebm
And stand each Sunday
                              C#   **Fm7**
A hymnal steady in your hand

F
You ll sing to yourself
                              F#
The rising-falling melody
                         C#
That you could never read
F#   **C#**
Without the choirs lead
F#   **G#**
Still alone, and lost in deep
F#   **G#**
And your soul will not be free

[Chorus]
Bbm
I will go , I will go, I will go
And in wars waters
C#
I will wade
          Ebm
And I will know

If I remorse or regret

```
                        C#
The fairness of our trade

Bbm
For you to live

I took your place

A deal was made
            C#
And I was paid
          Ebm
And the goldness

I was told

Was a place
                          C#
Where my body could be laid

F
And we will steal your life

And I own
                    F#
In better homes surrounded
        C#
By your peers
          F#              C#
Without suffering or fear
F#                      G#
Grandchildren far and near
F#                      G#
And none will shed a tear
F#                        G#
For the love no longer here

[Chorus]
Bbm
I ll go, I ll go, I ll go, I ll go for you
C#
I will
Ebm
I ll fight, I ll fight,I ll fight, I ll fight for you
C#                  Fm7
I will, I will, I will
Bbm
I ll kill, I ll kill, I ll kill, I ll kill for you
C#
I will
Ebm
I ll die, I ll die, I ll die, I ll die for you
```

```
C#                         Fm7
I will, I will, I will

[Outro]
F
And if I die
I ll die
                      F#
I ll die alone like Jesus
       C#
On a cross
F#                      C#
My faith cannot by tossed
F#                          G#
And my life will not be lost
F#                  G#
If my love comes across
```
