---

**Bm**

I ll go, I ll go, I ll go, I ll go for you

**D**

I ll fight, I ll fight, I ll fight, I ll fight for you

**Em**

I ll kill, I ll kill, I ll kill, I ll kill for you

**D**

**F#m7**

I will, I will, I will

**Bm**

I ll go, I ll go, I ll go, I ll go for you

**D**

I ll fight, I ll fight, I ll fight, I ll fight for you

**Em**

I ll die, I ll die, I ll die, I ll die for you

**D**

**F#m7**

I will, I will, I will

[Verso]

**F#**

And if I die

I ll die, I ll die alone on some

**G**

**D**

Old private hill

**G**

**D**

Abandoned by the mill

**G**

All my blood will

**A**

Spring and spill

**G**

I ll crash the air

**A**

and be still

[Verso]

**Bm**

You ll wait

With the star from a dream

**D**

And know that I am gone

**Em**

You ll feel it in your heart

**D**

But not for very long

**Bm**

You ll rise each day as planned

**D**

Your will is your command

**Em**

And stand each Sunday

**D**

**F#m7**

A hymnal steady in your hand

**F#**

You ll sing to yourself

**G**

The rising-falling melody

**D**

That you could never read

**G**

**D**

Without the choirs lead

**G**

**A**

Still alone, and lost in deep

**G**

**A**

And your soul will not be free

[Chorus]

**Bm**

I will go , I will go, I will go

And in wars waters

**D**

I will wade

**Em**

And I will know

If I remorse or regret

**D**

The fairness of our trade

**Bm**

For you to live

I took your place

A deal was made

**D**

And I was paid

**Em**

And the goldness

I was told

Was a place

**D**

Where my body could be laid

**F#**

And we will steal your life

And I own

**G**

In better homes surrounded

**D**

By your peers

**G**

**D**

Without suffering or fear

**G**

**A**

Grandchildren far and near

**G**

**A**

And none will shed a tear

**G**

**A**

For the love no longer here

[Chorus]

**Bm**

I ll go, I ll go, I ll go, I ll go for you

**D**

I will

**Em**

I ll fight, I ll fight, I ll fight, I ll fight for you

**D**

**F#m7**

I will, I will, I will

**Bm**

I ll kill, I ll kill, I ll kill, I ll kill for you

**D**

I will

**Em**

I ll die, I ll die, I ll die, I ll die for you

**D** **F#m7**  
I will, I will, I will

[Outro]

**F#**  
And if I die  
I ll die

**G**  
I ll die alone like Jesus

**D**  
On a cross

**G** **D**  
My faith cannot by tossed

**G** **A**  
And my life will not be lost

**G** **A**  
If my love comes across
