Don t cry  
You can rely on me honey  
You can come by anytime you want  
I ll be around  
You were right about the stars  
Each one is a setting sun

Tall buildings shake, voices escape  
Singing sad, sad songs tuned to chords  
Strung down your cheeks, bitter melodies  
Turning your orbit around

**Ebm Bbm**  
Voices whine  
**Ebm B**  
Skyscrapers are scraping together  
**F# G#m C#**  
Your voice is smoking  
**F# C# Ebm Bb**

**B F# C#**  
Turning your orbit around  
**Ebm C#**  
Our love

**Ebm**    **B**

Our    love

**F#**            **G#m**

**C#**

Our    love is all we have

Our love

Our love is all (we ve got so honey)?

Every one is a burning sun

Tall buildings shake, voices escape

Singing sad, sad songs tuned to chords

Strung down your cheeks, bitter melodies

Turning your orbit around

Voices whine

Skyscrapers are scraping together

Your voice is smoking

Last cigarettes are all you can get

Turning your orbit around

Last cigarettes are all you can get

Turning your orbit around

Last cigarettes are all you can get

Turning your orbit around
