Verse 1:

```
D                               G
I need a camera to my eye
           A               G
to my eye reminding
                                   A
which lies have I been hiding
           D       A
which echoes belong
           G
I ve counted out days
           D       A
to see how far

sidewalk

G A D

no it s not o.k.

Verse 2:

I smashed a camera

I wanna know why

to my eye deciding

which lies have I been hiding

which echoes belong

I m counting on

a heart I know by heart

to walk me through this war

memories distort

phone my family tell them I m lost on the sidewalk

no it s not o.k.

Verse 3:

I ve counted out

and know one knows how far

I ve driven in the dark

with echoes in my heart

phone my family tell them I m lost (yeah I m lost)

and no it s not o.k.

D (Riff 2 x2)

no it s not o.k.
