Eb*
I would drive you away

B1* B2*
Then I told you and you agreed
Bb5 Bm2
Some days I despise everyone I see
B1* **F** Bb5
We re all swine but you re all mine

Verse 2: [use verse 1 chords]

What will keep us together
Will tear us apart
Maybe making up your mind
Breaks your heart
Hate will save the dolphins
I wish there was a way
I could change it so nothing
Would ever change or stay the same

Chorus 2: [use chorus 1 chords]
All I can do is sing it for you
Whole lives go by
Then we die
You re all swine, we re swine

Interlude 1: **D*** - **Eb*** - **F** - Bm5

Verse 3: [use verse 1 chords]
Love will keep us together
Love will tear us apart
I don t care what the song says
It s not my heart
Anyway, the point is
Things can always be worse
When you don t have a chorus
It s verse, after verse, after verse

Chorus 3: [use chorus 1 chords]
Then I told you in my arms
I hate you less
Than the rest
We re all swine, but you re all mine
