Verse

B **E** **B** **F#**
I would throw myself underneath the wheels of any train of thought
B **E** **B** **F#**
roaming the rails or sailing through the roadways of your brain
B **E** **B** **F#**
If I could bring a light to shine upon the dark and disobey
B **E** **B** **F#**
the night so young, but I still say we re too old for cliches

Chorus

E **Ebm** **G#m** **G#m7/G** **C#**
Oh, and I can only dream of the dreams we d share if you were so inclined
B **F#** **E** **G#m** **E6** **B**
I would love to be the one to open up your mind

Verse 2

B **E** **B** **F#**
I could base my whole existence upon the cherry strands of your gold hair
B **E** **B** **F#**
and I would ask, almost insist upon treating you kind and fair

Chorus

E **Ebm** **G#m** **G#m7/G**
Oh, I could only dream of the dreams we d have, how our hearts would be
C# **B** **F#** **E** **G#m** **E6** **B**
entwined if you would let me be the one to open up your mind

Verse 3

B **E** **B** **F#**
I d still be myself beneath the banks unbroken beside the stream
