D **G** **D** **A**
I would throw myself underneath the wheels of any train of thought
D **G** **D** **A**
roaming the rails or sailing through the roadways of your brain

If I could bring a light to shine upon the dark and disobey
D **G** **D** **A**
the night so young, but I still say we re too old for cliches

Chorus

G **F#m** **Bm** **Bm7/G** **E**
Oh, and I can only dream of the dreams we d share if you were so inclined
D **A** **G** **Bm** **G6** **D**
I would love to be the one to open up your mind

D **G** **D** **A**
I could base my whole existence upon the cherry strands of your gold hair
D **G** **D** **A**
and I would ask, almost insist upon treating you kind and fair

Oh, I could only dream of the dreams we d have, how our hearts would be
E **D** **A** **G** **Bm** **G6** **D**
entwined if you would let me be the one to open up your mind

I d still be myself beneath the banks unbroken beside the stream

D **G** **D** **A**
Ready to return your thoughts unlearned so it goes, so it seems
