

Pick Up The Change

Wilco

**G**          **Bm**          **G G7**      **C**  
If it s just your heart talking, I don t mind  
**Am**                                  **G**                                  **C**                                  **Am**  
If you wanna call me, darling that s just fine, that s just fine  
                  **G**                                  **Bm**                                  **G G7**                  **C**  
But if it s your mind that s wandering, it ll fall in line  
**Am**                                  **G**                                  **C**                                  **Am**  
When I kiss your cheek, dear, everytime, everytime  
**G**  **C**                                  **Am**  
We used to have a lotta things in common,  
**G**  **C**                                  **Am**  
But you know now we re just the same  
**G**                                  **C**                                  **Am**  
You always had more than I really wanted  
**G**  **C**                                  **Am**  
Aw honey, help me,  
**G**  **C**                                  **Am**                                  **G**  
Aw honey, help me pick up the change

Solo:

**G Bm G G7 C**  
**Am G C Am**

**G**          **Bm**          **G**  **G7**      **C**  
If it s just your heart talking, I ll listen everytime  
**Am**                                  **G**                                  **C**                                  **Am**  
Dear, you can talk my ear off, anytime, anytime  
                  **G**                                  **Bm**                                  **G G7**                  **C**  
But if my mind starts wandering, it won t be gone long  
**Am**                                  **G**                                  **C**                                  **Am**  
Whenever I hear your heart talking, it s a song, it s a song  
**G**  **C**                                  **Am**  
We used to have a lotta things in common,  
**G**  **C**                                  **Am**  
But you know now we re just the same  
**G**                                  **C**                                  **Am**  
You always had more than I really wanted  
**G**  **C**                                  **Am**  
Aw honey, help me,  
**G**  **C**                                  **Am**  
Come on honey, help me pick up,  
**G**  **C**                                  **Am**                                  **G**  
Aw honey, help me pick up the change
