

Pick Up The Change

Wilco

**G#**          **Cm**          **G# G#7**          **C#**  
If it s just your heart talking, I don t mind  
**Bbm**                                  **G#**                                  **C#**                                  **Bbm**  
If you wanna call me, darling that s just fine, that s just fine  
                  **G#**                                  **Cm**                                  **G# G#7**                                  **C#**  
But if it s your mind that s wandering, it ll fall in line  
**Bbm**                                  **G#**                                  **C#**                                  **Bbm**  
When I kiss your cheek, dear, everytime, everytime  
**G#**  **C#**                                  **Bbm**  
We used to have a lotta things in common,  
**G#**  **C#**                                  **Bbm**  
But you know now we re just the same  
**G#**                                  **C#**                                  **Bbm**  
You always had more than I really wanted  
**G#**  **C#**                                  **Bbm**  
Aw honey, help me,  
**G#**  **C#**                                  **Bbm**                                  **G#**  
Aw honey, help me pick up the change

Solo:

**G# Cm G# G#7 C#**  
**Bbm G# C# Bbm**

**G#**          **Cm**          **G# G#7**          **C#**  
If it s just your heart talking, I ll listen everytime  
**Bbm**                                  **G#**                                  **C#**                                  **Bbm**  
Dear, you can talk my ear off, anytime, anytime  
                  **G#**                                  **Cm**                                  **G# G#7**                                  **C#**  
But if my mind starts wandering, it won t be gone long  
**Bbm**                                  **G#**                                  **C#**                                  **Bbm**  
Whenever I hear your heart talking, it s a song, it s a song  
**G#**  **C#**                                  **Bbm**  
We used to have a lotta things in common,  
**G#**  **C#**                                  **Bbm**  
But you know now we re just the same  
**G#**                                  **C#**                                  **Bbm**  
You always had more than I really wanted  
**G#**  **C#**                                  **Bbm**  
Aw honey, help me,  
**G#**                                  **C#**                                  **Bbm**  
Come on honey, help me pick up,  
**G#**  **C#**                                  **Bbm**                                  **G#**  
Aw honey, help me pick up the change
