

So Much Wine
Wilco

I know that this should be filed under Handsome Family, but this is how Jeff Tweedy plays this song solo... Enjoy!

VERSE 1

G **C** **G**
I had nothing to say on Christmas day
Em **D** **C**
When you threw all your clothes in the snow
G **C** **G**
When you knocked over chairs and burnt you hair
Em **C** **G**
I just tried to stay out of your way
C **G**
When you fell asleep with blood on your teeth
Em **C** **G**
I got in my car and drove away

CHORUS

C
Listen to me butterfly
G
There s only so much wine
Em **C**
You can drink in one life
G
And it will never be enough
Em **C** **G**
To save you from the bottom of your glass

VERSE 2

C **G**
Where the state highway starts I stopped my car
Em **D** **C**
I got out and stared up at the stars
G **C** **G**
As meteors died and shot across the sky
Em **C** **G**
I thought of your sad shining eyes
C **G**
When the sun finally rose I went back for my clothes
Em **C** **G**
But you were still passed out on the floor

CHORUS

C
Listen to me butterfly
G

There s only so much wine

Em

C

You can drink in one life

G

And it will never be enough

Em

C

G

To save you from the bottom of your glass
