Your dreams flare up, they suddenly vanish.

And also it happens that there is nowhere to go
And then there is somewhere to go,
Then you have bypassed.
And the years flare up and are gone,
Quicker than a minute.

So you have nothing.
You wonder if these things matter and then
They cease to matter,
And caring is past.
And a fountain empties itself into the grass.

And sometimes it happens that you are loved
And then you are not loved...
