

Our Love Will Survive?
Wild Belle

A **C#m**
If the sun don t shine
E **A**
If the world s on fire
C#m
If the oceans rise
E
Our love will survive
A
Our love will survive
C#m
I don t wanna see you cry
So baby, let me dry your eyes
E
I ll be by your side
A **C#m**
If the world stops spinning round
And heaven falls to the ground

E
I ll be by your side
A

A
Our love will survive
If the sky falls down
C#m
If time runs out
E
When the trumpet sounds
A
Our love will survive

A
Under the lightning
C#m
Cursing and fighting
E
Oh, let down by to me
A
But toxic relations
C#m
Sweep through the nations

But your love is all I see
