Darling Divine - Wild Child
from the album Pillow Talks

F **Bb** **F** **Bb**
Chills down my spine, when I feel your heart next to mine
F **Bb**
Feel the ground beneath my feet turn into the sky
F **Bb**
Feel this thing so strong and true it can't be a lie
Bb **F**
So I'll wait, just wait for the sign
Bb **F**
That your love is not only mine
Bb **F**
I can't believe this feeling seeping out my smile
Bb **F**
I think I'll hold onto this heart for a while
Am
Much longer than I should
Bb **C**
Just hoping that I could claim you as my own
F
My darling divine.
F **Bb**
I can't breathe when you're not around
F **Bb**
Can't believe this perfect love that I've found
F **Bb**
Thinking darling that your voice is the only sound
F **Bb**
That can keep my feet so strongly to the ground
Bb **F**
So I'll wait, just wait for the sign
Bb **F**
That your love is not only mine
Bb **F**
I can't believe this feeling seeping out my smile
Bb **F**
I think I'll hold onto this heart for a while
Am
Much longer than I should
Bb **C**
Just hoping that I could claim you as my own
F
My darling divine.
