

**Call It A Night**  
**Wild Rivers**

I m still a bit insecure about the chords, but I think this beautiful song needs chords,  
so if you have changes, please let me know! The chords written down here are simplified, so listen to the song and just play what you think sounds beautiful!

[Intro]

**A D A D**

[Chorus]

**A** **D**  
If you got back I ain t waiting up  
**A** **D**  
And you make threats, just say you re taking off  
**Bm** **D**  
And we both know that I m biting if you let me call  
**A** **D**  
Your bluff

[Pre-Chorus]

**Bm7** **D/A**  
And when you think of me tell me who you see  
**A** **G** **D/A**  
Cause you shoot like we got nothing to lose  
**Bm7** **D/A**  
You re a loaded gun with your safety on  
**A** **G** **D/A**  
All good until you make a wrong move

[Chorus]

**A** **Bm7** **D**  
You can push me out the doorway if you want to  
**A** **Bm7** **D**  
Tear each other raw just like a dog do  
**F#m**  
I don t wanna make a stand and hell,  
**D** **A** **D/A**  
I don t give a damn bout who s wrong and who s right  
**D/A** **A** **D** **A** **D**  
Can we call it a night

[COUPLET]

**A** **D**  
It s getting late, are we still at it  
**A** **D**  
You were in tears, I was in a red jacket

**Bm** **D**  
Are we down without a cause, do we cut a loss

**A** **D**  
And go

[Pre-Chorus]

**Bm7** **D/A**  
Is your idea of you and me making love

**A** **G** **D/A**  
Playing chicken run on a seaside bluff

**Bm7** **D/A**  
But that s just for the screen and I ain t James Dean

**A** **G** **D/A**  
Even though I tend to play it tough

[Chorus]

**A** **Bm7** **D**  
You can push me out the doorway if you want to

**A** **Bm7** **D**  
Tear each other raw just like a dog do

**F#m**  
I don t wanna make a stand and hell,

**D** **A** **D/A**  
I don t give a damn bout who s wrong and who s right

**D/A** **F**  
Can we call it a night

[Bridge]

**Em** **D**  
Ooooh who you letting out now

**F** **Em** **D**  
The something else living in a doubt now

**F** **Em** **D** **F**  
The storm is coming by and I ll be closing my eyes

**E**  
Till dawn, ooh

[Chorus]

**A** **Bm7** **D**  
And we re dancing toe to toe until we re let down

**A** **Bm7** **D**  
Swaying back and forth before the next round

**F#m** **G** **A**  
Are we giving up a good thing with every move we make

**D/A**  
Cause in spite, oh  
**D/A** **A**  
Can we call it a night
