

Cry For The City
Wilful Missing

Wilful Missing - Cry for the City

Capo V

D
I find it hard to change

Bm
Beyond routine

D
With its iron back

Bm
And its cheap caffeine

A
But we go too far

A
Down this road weâ€™ve turned

Bm7 **D**
We will cry for the city

Bm7 **D**
We will beg for its crime

Bm7 **D**
We will see what weâ€™re missing

Bm **D**
We will beg and we will cry

D
Iâ€™ve struggled hard to be

Bm
What my Daddy wants

D
What my Sister feels

Bm
What my Girlfriend needs

A
But we go too far

A
Down this road weâ€™ve turned

Bm7 **D**
We will cry for the city

Bm7 **D**
We will reap what we sow

Bm7 **D**
We will find weâ€™ve sowed so little

Bm **D**
But we will reap and we will sow

D
Iâ€™m haunted by a dream

Bm
A future scene

D
With an absent heart

Bm
And an open seam

D
Iâ€™ve got no heart left to break

Bm
Itâ€™s my saving grace

D
My road to ruin

Bm
My oldest friend

A
But we go too far

A
Down this road weâ€™ve turned

Bm7 **D**
We will cry for the city

Bm7 **D**
We will read of its past

G **D**
We will fail to listen

Bm **D**
We will read and weâ€™ll ignore

G **D**
We will cry for the city

G **D**
We will search for its hope

G
And from the concrete

D **G**
Revolution springs its head

A **D**
Towards the sun
