**G#** **Ebsus4/G G#**  
To the east we have our lowest land  
**C#add9 Fm7 C#add9**  
Taken from the sea  
**G#**  
But soon it will be taken back  
**C#add9 Fm7 Ebsus4/G G#**  
As the black water comes creeping back

**G#** **Ebsus4/G G#**  
To the west we have triumphant hills  
**C#add9 Fm7 C#add9**  
And lakes that dress the scars  
**G#**  
But soon it will be taken back  
**C#add9 Fm7 Ebsus4/G G#**  
As the black water shatters and cracks

**G#** **C#add9**  
So we look to the stars  
**C#add9 Fm7**  
In their infinite sky  
**Fm7 C#add9 Fm7 C#add9 Fm7**  
As science and faith collide into the night  
**G# Ebsus4/G G#**  
We re in the firing line..... again

**G#** **Ebsus4/G G#**  
To the south we have our richest land  
**C#add9 Fm7 C#add9**  
But Christ you have to pay  
**G#**

But soon thereâ€™ll be nowhere to stay

**C#add9 Fm7 Ebsus4/G G#**

As the black water retreats away

**G# Ebsus4/G G#**

To the north Monroes scatter the land

**C#add9 Fm7 C#add9**

They lead the rain astray

**G#**

But the rain will take its share away

**C#add9 Fm7 Ebsus4/G G#**

And where black water was earth remains

**G# C#add9**

So we look to the past

**C#add9 Fm7**

To some difficult time

**Fm7 C#add9 Fm7 C#add9 Fm7**

As science and faith collide into the night

**C#add9 Fm7 Ebsus4/G G#**

Weâ€™re in the firing line... again

**G# Ebsus4/G G#**

So herein lies some sound... advice

**C#add9 Fm7 C#add9**

Much older than its years

**G#**

Move to the north and ride your luck

**G# MUTE**

Cos elsewhere you ll be f\*\*\*\*\*

**N/C# C#add9**

So we look to our god

**C#add9 Fm7**

To some promising heir

**Fm7 C#add9 Fm7 C#add9 Fm7**

As science and faith collide into the night

**C#add9 Fm7 Ebsus4/G G#**

Weâ€™re in the firing line... again

**G# C#add9 Fm7**

As science and faith collide

**Ebsus4/G Fm7**

Weâ€™ll fight right back

**C#add9 Fm7 Ebsus4/G G#**

Until the firing line has changed
