

Propellerheads
Will And The People

D A A7 D

D

Looking for an answer, looking for a rhyme,

A

I don t want to cry when the stars align.

A7

I can kick and say fuck as many times as I like,

D

But my body s gonna give it up when it s my time.

D A A7 D

Oooooheeeeh, oooooheeeeh..

D

Give a lot at Christmas and treasure what you get.

A

Daddy was a bank robber, you could be a vet.

A7

Live a little, go and get caught red handed,

D

It never did pay to be the teacher s pet.

G

Propellerhead junkies all are fine,

A

With child prodigies in the chorus line,

F#m

They re looking for someone new to find,

Bm

To push, push things forward.

G

A

When I open my eyes, I look depressed.

F#m

It s cause I ve realized,

Bm

That I m just following and following..

G A

But I m not following any more..

F#m

Bm

I m just 24 and all these people..

G

A

F#m

I don t know anything, it s just everyone knows.

Bm

Propeller heads following and following and following and following.

G

A

Following, following, following, following, following, following, following,

F#m

Bm - Break

following, following, following, following, following, FOLLOWING!
