Will and the People - Salamander Chords

Intro:

Ebm Bbm G#m

Verse:

Ebm G#m
Blue is the queue that you re in today
Ebm Ebm
It ll never gets you anywhere, you know
Ebm G#m
You re chewing a clue like a cold cliché
Ebm G#m
Tripping up everywhere you go
Ebm G#m
Gonna go fast when we go to bed,
Ebm G#m
We ll rack up the snow don t you know
Ebm G#m
And your Ferrari is so chrome red
Ebm G#m
It screams out money to throw

Bbm Ebm G#m
I took a bit of love from a hard knock life,
F# Ebm
And manifested something new
G#m Bb
I needed to do it myself

Chorus:

B **Bbm**
 I used to slither like a salamander
 C1 **Ebm**
 But now I ve got bones in my body to get there
 B **Bbm**
 I was living in like a panda
 C1 **Ebm**
 With big black eyes and a bucket of tears
 B **Bbm** **C1** **Ebm**
 I m like a salamander,
 Manda x 7
 I m like a salamander,
 Manda x 6

(same chords)
 What is the point if you worry away?
 Who s gonna tell you not to do so yo?
 Do you believe everything people say?
 Sipping on your Frappuccinio oh oh oh!
 I look like I ve see a ghost today,
 Cause Iâ€™m easy come, easy go
 Shows what I know in my naivete
 Which covers me head to toe

I took a bit of love from a hard knock life,
 And manifested something new
 I needed to
 Do it myself

I used to slither like a salamander
 But now I ve got bones in my body to get there
 I was living in like a panda
 With big black eyes and a bucket of tears

I m like a salamander,
 Manda x 6

Bridge:

B **C#**
 No way (a-a-a-a)
 Bbm **Ebm**
 I won t slither like a salamander no more
 B **C#**
 No way (a-a-a)
 B **C#**
 No way
 Bbm **Ebm** **B** **Bbm**
 I m not living in like a panda

So if you slither like a salamader
 And now you have the bones in your body to get there

Living in like a panda
With big black eyes and a bucket of tears

I used to slither like a salamander
But now I ve got bones in my body to get there
I was living in like a panda
With big black eyes and a bucket of tears

I was living like a salamander, manda x9 (a-a-a-a)
I was living like a sala-woooo
OOooooo

Outro:
