Intro: **Fmaj7 G7 E Am* Fmaj7 G7**

C **Am**
Ya you re a monster
Em **C*** **G**
Don t try to convince me otherwise
C **Am**
And ya, you re an angel
Em **C*** **G**
But one of you will not survive
C **Am**
And what s the matter now?
Em **C*** **G**
Did you not get what you wanted
F **C**
You re not the only one who s lonely
G **Em** **Am**
With bows in your hair and a pony ride
F **C**
This day comes around only

G Em Am F G7
Once a year so lets do it right

C Am
Bipolar baby

Em C* G
Do you even notice me here

C Am
I m your coyote

Em C* G
Chewed off my arm just to be here

C Am
And what s the matter now?

Em C* G
Did you not get what you wanted

F C
You re not the only one who s lonely

G Em Am
With bows in your hair and a pony ride

F C
This day comes around only

G Em Am
Once a year so lets do it right

F C
You re not the only one who s lonely

G Em Am
With all of your pieces not fitting tight

F C
But this day comes around only

G Em Am F G E
Am F G
To blow out some candles so lets do it right

C E Am
A shame it takes some many tears

F
To empty half of your cup and

C E
when you re talking to yourself

Am D7
You control the conversation

C Am Em C* G

C Am*
Bipolar baby

Em C
Wait till you hear what I made you

F C
You re not the only one who s lonely

G Em Am
With bows in your hair and a pony ride

F **C**
This day comes around only

G **Em** **Am**
Once a year so lets do it right

F **C**
You re not the only one who s lonely

G **Em** **Am**
With all of your pieces not fitting tight

F **C**
But this day comes around only

G **Em** **Am** **F** **G** **E** **F** **G** **E**
F **G** **E**
To blow out some candles so lets do it right

Guitar Outro: **F** **G** **E** **Am** repeat
