Caused me to fall apart once or twice,  
**C**  
It s worse can lack the beautiful mess.  
**F7M**  
In a perfect world we never came,

Oh, we never left.

**Am** **C**  
You remember what we were?  
**G** **Am** **C** **F** **G**  
Do you find out what a kiss is for right before you die?
