

Dance To This
Will Gunter

(verse 1)

D **G**
Child, donâ€™t run from me,
Bm A D G Bm A
Iâ€™ll be waiting here,
D G
Just leave that mic on,
Bm A D G Bm A
Iâ€™ll write a song for you

Charity wonâ€™t replace me,
And what Iâ€™ll bring near,
The vanity donâ€™t lie,
You face is so dear

(chorus)

D G
Just come ho-, ho-, home,
Bm A
Ho-, ho-, home,
D G
Oh, just come ho-, ho-, home,
Bm A
Ho-, ho-, home

(verse 2)

You run for the world,
And youâ€™ll get what they give you
But you chase my heart,
And Iâ€™ll do the same

Youâ€™ve been running a million miles,
Trying to find the perfect smile, but,
Iâ€™m the only one to make you happy, happy,
Oh, charity, wonâ€™t replace my love

(bridge 1)

D G A Bm
My words, that crave, to know you inside,
G D A
Are sweeter than honey on your lips
D G A Bm
Come drink, from Me, and Youâ€™ll be satisfied,
G D A
Too long youâ€™ve let the world move your hips,
G D A G D A
Well, dance to this

(bridge 2)

D G A

Iâ€™ll make my way across,

D G A

Youâ€™re burning fire,

D G A

Iâ€™ll take this cross,

G D

And turn it to desire

Iâ€™ll leave the stars,

To what you know,

Iâ€™ll be where you are,

And take you home
