I got fist full of chances and a washed up angel to fill me up with bad advice

Am Em C D
Sex and God and lust and I just hope that maybe I can get this right

Cause I want and I need

Do you really want to see me bleed

Em Bm C D Em Bm
Cause I can t get nothin from your secondhand heart

I get nothing from your secondhand heart (REPEAT INTRO)

Filling pages with the same old secrets I still want just you
Blackbird on a lonely wire do you ever think about me too
I want something that I can hold onto I don t care if it s wrong or right
Sex and God and lust and I just hope that maybe I can get this right
