

Deeper Than Blue
Will Trotman Band

[Intro]

G D F C x2

[Verse]

G **D**
Troubled minds and heavy hearts
F **C**
Sunken ships and battle scars
G **D**
Quiet noise is talking loud
F **C**
If only I could turn it down

G D F C

G **D**
Sunny sky, the day was long
F **C**
What s to fix when nothing s wrong
G **D**
Fingers fly, but who s to blame
F **C**
You can t stop the hurt once it s taken its aim

[Chorus]

Am7 **D7**
Oh yes it s true
G **D** **Em** **D**
That it s always someone else until it happens to you
C **D**
Now you re tracing the shapes in your room
Em **D** **G** **D** **C** **Cm**
And you re searching for answers that don t seem to want to find you
G D F C
It s deeper than blue

[Verse]

G **D**
Giving up and flying high
F **C**
See the world through other eyes
G **D**
For reasons lost between the lines

F **C**
Because blurry is the lens of life
G **D**
Some will fall, a darker place
F **C**
You can't see love, but it's in your face
G **D**
I know they told you it's all in your head
F **C**
But when your mind beats your heart you fall farther instead

[Chorus]

Am7 **D7**
Oh yes it's true
G **D** **Em** **D**
That it's always someone else until it happens to you
C **D**
Now you're tracing the shapes in your room
Em **D** **G** **D** **C** **Cm**
And you're searching for answers that don't seem to want to find you
Em **D** **G** **D**
It's deeper than blue

[Bridge]

Eb **Bb**
I was told that everything
F **D** **Eb**
Happened for the better in the end
Bb **F** **D7** **(G)**
If it's true then why do you always feel like you're caving in

[Solo]

G D F C x2

[Outro]

Em **D** **G** **D** **C** **Cm**
Now you're searching for answers that don't seem to want to find you
