

I Never Wanted To Go
Willamette Stone

D **D/E D/F# G**
I spend these hollow nights, all al--one
D **D/E D/F# G**
Sick from the looking glass, that you kept whole
D
Let s go

D **D/E D/F# G**
I saw the sea in you, it was a mir--age
D **D/E D/F# G**
It wasn t even so, I played the odds

G G/F# Em Bm A
I m full of black and blues
Em Bm A
From all the nights with you

D G
I never wanted to go
D G
I don t want you anymore
D G Bm A
I don t want you to feel the same as me
D G
I never wanted to go
D G
But now I m letting you know
D G Bm A D
I just wanted to feel the life in me

D D/E D/F# G
I went from solid steel, to broken glass
D D/E D/F# G
The darkest side of me, you brought out fast

The things I said were true,
Em Bm A
I m taking them back from you

D G
I never wanted to go

I just wanted to feel the life in me

G
I miss you
D
I wish you
Bm A
Will let me be
G
Just leave it
D
Stop breathing
A
I need to be free

D G
I never wanted to go
D G
I don t want you anymore
D G Bm A
