

Oh Love

William Beckett

D G A D
Oh! Love, here you come again
D G A D
Seduction is a wicked game that you perfected
D G A D
Oh! Love, I don't want to fight
D G A D
Like a boxer in the ring caught with both his hands tied

G A
Oh, we know this is madness
G A
Can't control, can't resist it

D G A D
Oh! Love, you can cash the cheque
D G A D
In exchange for making Monday nights more suggestive
D G A D
Hopeless under your device
D G A D
And I'm young enough, dumb enough, tough enough not to, not to think twice

G A
Oh, we know this is madness
G A
Can't control, can't resist it

D G
Sleep with one eye open on a bed of broken glass
D Bm
In the middle of the ocean, yeah I'd do that
D G
Nothing lasts forever, but she makes me want to try
D Bm
I'd crawl across the desert, yeah I'd do that
A D
I'd do that, oh! Love

D G A D
Oh! Love, here you come again
D G A D

And when you go, who will pull me out the wreckage

D **G** **A** **D**

Oh! Love, I will track you down

D **G** **A** **D**

And I m young enough, dumb enough, tough enough not to, not to think twice

G **A**

Oh, we know this is madness

G **A**

Can t control, can t resist it

D **G**

Sleep with one eye open on a bed of broken glass

D **G** **A** **D**

Oh! Love, how you speak in tongues

D **G** **A** **D**

And every answer just suggests another question

D **G** **A** **D**

Like oh! Love, if and when we end

D **G** **A** **D**

Don t pretend that we can hang it up and be friends

G **D**

I d do that, oh! Love

G **A**

Yeah, I d do that, I d do that

D

Oh! Love
