G
Tokyo from the west-most coast

In the dark
In the moonlit midnight cold
All the light my love has known
Will not be forgotten

There you are
In the shadows close to home
On an island of your own
Lost in this moment

One last star rise before I go

Oh Scarlett, I don t care how far it is
I wanna go to Tokyo from the west-most coast
Tokyo from the west-most coast

Oh Scarlett, go back to where we started
I wanna go to Tokyo from the west-most coast
