If You Would Come Back Home- Capo 4

Am C G
There s room between your heart
 Am C G
And the chair where I ve been sleeping
 Am C G
The place that we called home
 Am C G
Will someday watch you leaving

Am C G
There s room between today
 Am C G
And the last time that I saw you
 Am C G
The pictures in my brain
 Am C G
Will fade until I lose you

Am C G
If you would come back home
 Am C G
We could start all over
 Am C G
If you would come back home
 Am C G
I swear it would be better

Am C G
There s room left in the house
 Am C G
There s food still in the pantry
 Am C G
I could fix you lunch
 Am C G
Or take you out for coffee

Am C G
If you would come back home
 Am C G
We could start all over
 Am C G
If you would come back home

Am C G

I swear it would be better

Am C G

Call the surgeon.

Am C G

Mend the pieces.
