Intro: **Am - Em - G - F / Am Em Dmaj11**

Am Em

So like your

G F Am

Father in the face and blood

Em Dmaj11

Terrified and cold

Am Em

And whispers

G F Am

The coming of a cleansing flood

Em Dmaj11

For you

Am - Em - G - F / Am Em Dmaj11

Am Em

You hide your

G F Am

Filthy hands from all of us

Em Dmaj11

Still unseen and tied

Am **Em**
What water
G **F** **Am**
These killing hands could ever clean
Em **Dmaj11**
Still you run

Dm **Am** **G**
I want to be changed from
Dm **Am** **G**
The shadow and the tomb
Dm **Am** **G**
Like water rushing over us
F **Am** **G**
The tide pulls from the moon

Am - Em - G - F / Am Em Dmaj11

Am **Em**
Your mother
G **F** **Am**
The passing of a silver ring
Em **Dmaj11**
Oversized and cold
Am **Em**
This specter
G **F** **Am**
Will walk the halls of every seed
Em **Dmaj11**
From you

Dm **Am** **G**
I want to be changed from
Dm **Am** **G**
The shadow and the tomb
Dm **Am** **G**
Like water rushing over us
F **Am** **G**
The tide pulls from the moon
F **Am** **G** **Em**
The tide pulls from the moon
F **Am** **G**
The tide pulls from the moon
