F	Am	G	C
F	Am	G	G

F	Am	G	C
How this feels like a floating			
F	Am	G	F
For the physical form you crave			
Am	G	C	
And the gentle reminders			
F	Am	G	
Hovering still the same			

**F**    **Am**            **G**            **C**  
 For the curative portion  
**F**    **Am**            **G**            **C**            **F**  
 The dysthymic of bold and blue  
**Am**            **G**            **C**  
 You are softened and hollow  
**F**            **Am**            **G**  
 Reflecting this winter hue

**F**    **G**            **Am**    **C**                    **F**            **G**                    **C**            **G#m**  
 Wounded head you will be fine (You will be fine)  
**Am**    **Am/B**            **C**                                    **G**            **F**            **C**  
 Your weary legs will hold you in time

**F**    **Am**    **G**    **C**  
**F**    **Am**    **G**    **G**

**F**    **Am**            **G**            **C**  
 So you open the window  
**F**    **Am**            **G**                                    **F**  
 Wipe the grey from your salted eyes  
**Am**            **G**            **C**  
 Feel the string that once broken  
**F**            **Am**            **G**  
 Mended and slowly tied

**F**    **Am**            **G**            **C**  
 Hope for remedies comfort  
**F**    **Am**            **G**                                    **E**    **F**  
 For the listless and looming moon  
**Am**            **G**            **C**  
 And the ghost of your father  
**F**            **Dm**            **G**  
 Follow you home no more

**F\***    **Em\***    **Am\***            **G\***                    **F\***  
 Let water run through  
**Em\***    **D\***                                    **F\***  
 Won't you open your eyes  
**Em\***    **Am\***            **G\***                    **F\***            **Am\***            **D\*\***            **E\***  
 Let water run through

**F**    **G**            **Am**    **C**                    **F**            **G**                    **C**            **G#m**  
 Wounded head you will be fine (You will be fine)  
**Am**    **Am/B**            **C**                                    **G**            **F**            **C**  
 Your weary legs will hold you in time

**F**    **G**            **Am**    **C**                    **F**            **G**                    **C**            **G#m**

Wounded head you will be fine (You will be fine)  
**Am Am/B C G F C**  
Your weary legs will hold you in time

And thatâ€™s it! Please rate, comment and correct me!
