

I Wont Go Back
William McDowell

I Won t Go Back

G **D** **Em** **C**
I ve been changed, freed, healed, delivered
G **D** **Em** **C**
I ve found joy, peace, grace, and favor

G **D**
Right now is the moment today is the day
Em **C**
I ve been changed, I ve been changed
G **D**
I have waited for this moment to come
Em **D**
And I won t let it pass me by

G **D** **Em**
I won t go back, can t go back
C
to the way it use to be
G **D** **Em** **C**
Before your presence came and changed me

G **D** **Em** **C**
All my shame, guilt, sin, forgiven
G **D** **Em** **C**
No more chains, fear, my past is over
