[Intro]
Bsus4   C#m7   Asus2

[Verse]
Bsus4   C#m7   Asus2
There s a place off Ocean Avenue

                                      Bsus4
Where I used to sit and talk with you

                  C#m7   **Asus2**
We were both sixteen and it felt so right

                              Bsus4
Sleepin all day stayin up all

        C#m7
Night...
Asus2   **Bsus4**
Stayin up all
Bsus4   C#m7   Asus2
Night
Bsus4   C#m7
There s a place on the corner of Cherry St.
Asus2
We would walk on the beach in our bare feet
Bsus4   C#m7
We were both sixteen and it felt so right
Asus2
Sleepin all day stayin up all
Bsus4   C#m7   Asus2
Night...

[Chorus]
          Bsus4   C#m7
If I could find you now
                  Asus2
Things would get better
        Bsus4   C#m7   Asus2

We could leave this town and run forever
        Bsus4   **C#m7**
Let your waves crash down on me
    Asus2
And take me away, yeah yeah.

[Interlude]
Bsus4   C#m7   Asus2

[Verse]
Bsus4   **C#m7**   **Asus2**
There s a piece of you that s here with me
                                            Bsus4
It s everywhere I go, it s everything I see
                C#m7   **Asus2**
When I sleep, I dream and it gets me by
                                        Bsus4
I can make believe that you re here
    C#m7   **Asus2**
Tonight...
                Bsus4
That you re here tonight...

[Chorus]
          Bsus4   **C#m7**
If I could find you now
                  Asus2
Things would get better
        Bsus4   **C#m7**   **Asus2**
We could leave this town and run forever
          Bsus4   **C#m7**   **Asus2**
I know somewhere, somehow we ll be together
        Bsus4   **C#m7**
Let your waves crash down on me
    Asus2
And take me away, yeah yeah

[Interlude]
E

[Bridge]
E   **C#m7**
I remember the look in your eyes
                                    Bsus4
When I told you that this was goodbye

You were begging me not tonight
    Asus2
Not here, not now
E   **C#m7**
We re looking up at the same night sky
                                        Bsus4
We keep pretending the sun will not rise

We ll be together for one more night
    Asus2
Somewhere, somehow

[Chorus]
        Bsus4   **C#m7**
If I could find you now
             Asus2
Things would get better
      Bsus4   **C#m7**   **Asus2**
We could leave this town and run forever
        Bsus4   **C#m7**   **Asus2**
I know somewhere, somehow we ll be together
         Bsus4   **C#m7**
Let your waves crash down on me
    Asus2
And take me away, yeah yeah
