

Slipping Under Sing Along To Your Favorite Song
William Tell

Artist: William Tell

Song: Slipping Under

Verse Chords stay the same throughout the entire song. You can play the chords as power if you are playing electric or if just play the full chords if playing acoustic. In the he does both.

Verse

D **Bm**
hey, you know it s all okay

Em
you couldn t let me down

A
cause you ve given me all i got, all i got

D
and change, don t change

Bm
i know you can t always be yourself

Em
don t think they want someone else

A
youre giving up, please dont stop, please dont stop

Chorus

D
just sing along to your favorite song

G
takes you back to where you come from

B
time and place, you cant erase

A
when innocence is your only shame

D
sing along cause you know all the words

G
feel the good, the bad and the hurt

B
so turn it around, and let it all out

A
you re slowly slipping under

Verse Chords

and this, oh its not so bad

youve got a heartbeat for a voice
and thats not your fault not your fault

drive all night
if thats what you ve got to do to think
let everyone else fall asleep
youre giving up, so turn it up, turn it up

Chorus

D

just sing along to your favorite song

G

takes you back to where you come from

B

time and place, you cant erase

A

when innocence is your only shame

D

sing along cause you know all the words

G

feel the good, the bad and the hurt

B

so turn it around, and let it all out

A

you re slowly slipping under

Bridge

D

you want so much you had it all

G

so drive all night its not your fault

D

you want so much you had it all

G

so drive all night its not your fault

Bm

you want so much you had it all

A

so drive all night

Verse(Strum Chords Once)

hey, you know its all okay

youve got a heartbeat for a voice

dont give it up

dont dont dont give it up

Chorus

D

just sing along to your favorite song

G

takes you back to where you come from

B

time and place, you cant erase

A

when innocence is your only shame

D

sing along cause you know all the words

G

feel the good, the bad and the hurt

B

so turn it around, and let it all out

A

you re slowly slipping under
