Angel Flying Too Close To The Ground
Willie Nelson

[Verse 1]
```
A                      C#m
If you had not have fallen
D                      A
Then I would not have found you
D           E              A       E7
Angel flying too close to the ground
```

[Verse 2]
```
A                  C#m        D                     A
I patched up your broken wing and hung around for a while
B7                            E
Trying to keep your spirits up and your fever down
```

[Verse 3]
```
A                C#m                     D
I knew someday that you would fly away
   B7                             E
For love s the greatest healer to be found
```

[Chorus]
```
    A              C#m        D           A
So leave me if you need to I will still remember
D               E            A       E7
Angel flying too close to the ground
```

[Verse 4]
```
A          C#m                     D
Fly on  fly on past the speed of sound
B7                                  E
I d rather see you up than see you down
```

[Chorus]
```
A                     C#m        D            A
So leave me if you need to I will still remember
D               E            A       E7
Angel flying too close to the ground
A                     C#m        D            A
So leave me if you need to I will still remember
D               E            A       E7
Angel flying too close to the ground
```
