

**Are You Sure**  
**Willie Nelson**

**D**  
Oh, look around you

Look down the bar from you  
**G A**  
The lonely faces that you see  
**A7 D**  
Are you sure that this is where you want to be

These are your friends

But are they real friends  
**G A**  
Do they love you the same as me  
**A7 D**  
Are you sure that this is where you want to be  
**G D**  
You seem in such a hurry to live this kind of life  
**E A**  
And you've caused so many pain and misery  
**D**  
Look around you, take a good look  
**G A**  
Just between you and me  
**A7 D**  
Are you sure that this is where you want to be  
**G**  
Please don't let my tears persuade you,  
**D**  
I had hoped I wouldn't cry  
**E A**  
But lately, teardrops seem a part of me  
**D**  
Oh, look around you, take a good look  
**G A**  
At all the lonely used-to-be's  
**A7 G F#m E**  
Are you sure that this is where you want to be
