

Are You Sure
Willie Nelson

D

Oh, look around you

Look down the bar from you

G A

The lonely faces that you see

A7 D

Are you sure that this is where you want to be

These are your friends

But are they real friends

G A

Do they love you the same as me

A7 D

Are you sure that this is where you want to be

G D

You seem in such a hurry to live this kind of life

E A

And you've caused so many pain and misery

D

Look around you, take a good look

G A

Just between you and me

A7 D

Are you sure that this is where you want to be

G

Please don't let my tears persuade you,

D

I had hoped I wouldn't cry

E A

But lately, teardrops seem a part of me

D

Oh, look around you, take a good look

G A

At all the lonely used-to-be's
