E **A**
Cruel cruel world must I go on
E **B B7**
Cruel cruel world I m movin on
E **E7**
I ve been living too fast
E7 **A**
I ve been living too wrong
E **B7** **E**
Cruel cruel world I m gone

E **A** **E**
This big ol world sure got me runnin round
E **B** **B7**
I heard a voice that said just settle down
E **E7**
And with the moonlight as my guide
E7 **A**
And with this feeling deep inside
E **B** **E**
I know now that I am homeward bound

E **A**
Cruel cruel world must I go on
E **B B7**
Cruel cruel world I m movin on
E **E7**
I ve been living too fast
E7 **A**
I ve been living too wrong
E **B7** **E**
Cruel cruel world I m gone

E **A**
Desert roads, desert plains
E **B B7**
I have seen so much pain
E **E7** **A**
Now I see into the eyes of a girl
E **B7** **E**
No more, no more, cruel world

E **A**
Cruel cruel world must I go on
E **B B7**
Cruel cruel world I m movin on
E **E7**

I ve been living too fast

E7 **A**

I ve been living too wrong

E **B7** **E**

Cruel cruel world I m gone

E **A**

Dusty trail saw a vapor light

E **B** **B7**

Was it mirage? Don t know but it seemed right

E **E7**

I felt mission I felt trust

E **A**

I knew that then I must

E **B7** **E**

Go to her, away from this cruel world

E **A**

Cruel cruel world must I go on

E **B B7**

Cruel cruel world I m movin on

E **E7**

I ve been living too fast

E7 **A**

I ve been living too wrong

E **B7** **E**

Cruel cruel world I m gone.
