CAPO 1ST FRET: KEY:Bb PLAY:A

[A] Let s have a [A7] hand for that young [D] cowboy
And wish him better luck next [A] time.
I hope we ll see him up in [E7] Fargo
Or somewhere farther down the [A] line [A7]
This time he sure drew a [D] bad one
One that nobody could [A] ride
By the way he pulled his [E7] hat on
You know he d be there for the [A] fight

CHORUS:

And it s the [A7] classic contra- [D] diction [GD]
The unavoidable aff- [A] liction.
And it don t take much to pre- [E7] dict, son
The way it always [A] goes [A7]
Cause one day she says she [D] loves you [GD]
And the next she ll be tired [A] of you
N push ll always come to [E7] shove you
On that midnight rode- [A] o

INSTRUMENTAL

He almost made it [A7] to the [D] buzzer
Somehow he gave up in the [A] end
He put one hand around the [E7] other
And let that pick-up man on [A] in [A7]
It was his last chance to [D] ride it
Now he ll have to move a-[A] long
But he knows back in his [E7] mind, that
He won t be away for [A] long

CHORUS

So let s have a [A7] hand for that young [D] cowboy [GD]
And wish him better luck next [A] time
I hope we ll see him up in [E7] Fargo
Or somewhere farther down the [A] line
