

I Couldnt Believe It Was True
Willie Nelson

E **E**
Last night I came home and I knocked at my door
E **E** **B7**
I called for my love as oft I had before
E **E**
I called once again but no answer there came
E **B7** **E**
No sweet lips to greet me, no voice called my name

[chorus]
E **E** **A** **E**
I couldn t believe it was true oh Lord I couldn t believe it was true
E **E**
My eyes filled with tears and I must have aged ten years
E **B7** **E**
I couldn t believe it was true

I let myself in and I walked to our bed
I found a note there and a message I read
The truth like a bolt from the blue in the dawn
My sweetheart had left me, my darling was gone

(chorus)

The shock was so great I am quivering yet
I ll try to forgive her but I cannot forget
My heartbreaking loss is another mans gain
Her happiness always I hope will remain

(chorus)
