

**I Still Cant Believe Youre Gone**  
**Willie Nelson**

**A** **D**  
This is the very first day since you left me,  
**A** **E**  
and I m trying to put my thoughts in a song  
**A** **D**  
But all I can hear myself saying,  
**A** **E** **A**  
Is I still can t believe you re gone.

**A** **D**  
I still can t believe that you d leave me  
**A** **E**  
What did I do that was so wrong?  
**A** **D**  
There s too many unanswered questions, baby,  
**A** **E** **A**  
and I still can t believe you re gone

**E**  
But you re gone and I m alone,  
**A**  
But I m still livin  
**B** **E**  
I don t like it, But I ll take it till I m strong...  
**A** **D** **A** **E**  
and all I can hear myself sayin , baby, is I still can t believe you re  
**A**  
gone.  
**A** **E** **A**  
I still can t believe you re gone...
