A **D**
This is the very first day since you left me,
A **E**
and I m trying to put my thoughts in a song
A **D**
But all I can hear myself saying,
A **E** **A**
Is I still can t believe you re gone.

A **D**
I still can t believe that you d leave me
A **E**
What did I do that was so wrong?
A **D**
There s too many unanswered questions, baby,
A **E** **A**
and I still can t believe you re gone

E
But you re gone and I m alone,
A
But I m still livin
B **E**
I don t like it, But I ll take it till I m strong...
A **D** **A** **E**
and all I can hear myself sayin , baby, is I still can t believe you re
A
gone.
A **E** **A**
I still can t believe you re gone...
