Livin in the Promise Land

-----

by Willie Nelson

(Versel)

**G** **C**  
Give us your tired and weak  
**G**  
and we will make them strong  
**D**  
bring us your foreign songs  
**G**  
and we will sing along  
**C**  
Leave us your broken dreams  
**G**  
we ll give them time to mend  
**D**  
there s still alot of love  
**G**  
livin in the promiseland

(Chorus)

**G** **C**  
livin in the promiseland  
**G**  
our dreams are made of steel  
**D**  
the prayer of every man  
**G**  
is to know how freedom feels  
**C**  
there is a winding road  
**G**  
across the shifting sand  
**D**

and room for everyone

**G**

living in the promiseland

(Verse2)

**C**

so we came from a distant Isle

nameless woman faithless child

**G**

**G**

**G**

like a bad dream

**C**

until there was no room at all

**D**

no place to run and no place to fall

(Verse3)

**D**

**C**

give us your daily bread

**G**

we have no shoes to wear

**D**

no place to call our own

**G**

only this cross to bear

**C**

we are the multitude

**G**

lend us a helping hand

**D**

is there no love anymore

**G**

livin in the promiseland

(solo)

(Chorus)

**D**

**G**

and room for everyone livin in the promise land..

(end)
