**E** **A/B E**

Turn the sound down on my TV,

**E** **B**

I just can't listen any more,

**B**

It's like I'm in some foreign country,

**B** **E**

That I've never seen before.

**E**

So come now here to think about it,

**E** **A**

What in the hell are we going to do?

**B7**

Cause after all is said and all is done,

**E**

It's just me and you.

**E** **B7**

It's just me and you,

**B7** **E**

And we are definitely outnumbered,

**E** **B**

There's more of them than us,

**B7**

Just when you think you made a new friend,

**E** **B** **A** **B7**

They throw you under the bus,

**B7** **E**

So it's just me and you,

**B6** **E**

Yeah, it's just me and you.

**E**

I had a friend I used to talk to,

**E** **B7**

We used to both sit on the fence,

**B7**

But anymore I can't relate to him,

**B7** **E** **A/B E**

Cause he ain t got a lick of sense.

**E**

So now I just ask you the questions,

**E** **A**

But I m the one I m talking to,

**A** **B6** **B**

The world has gone out of its mind,

**B** **E**

Except for me and you.

**E** **B**

It s just me and you,

**B** **B6** **E**

And we are definitely outnumbered,

**E** **B7**

There s more of them than us,

**B7**

Just when you think you made a new friend,

**E** **A**

They throw you under the bus

**B7** **B6** **E**

So it s just me and you,

**B** **B6** **E**

It s just me and you,

**B** **B6** **E**

Yeah, it s just me and you.
