G#

Recollection Phoenix,

Bbm

It s funny how the miles get into me, though

Eb

And it s funny how the Earth moves

G#

And I wonder what my baby thinks of me, oh

G#

Recollection LA,

Bbm

Wonderin who it is I m suppose to be, oh

Eb

Anxious by the roadside

G#

High on souvenirs and cappucino

CHORUS

Eb

G#

But now I think I get it

C# C#/B Eb

I think I understand

Eb

G#

Its all about hope

C#

Bbm

Eb

And where you go when you get it

Eb

G#

And I think I get it

C#

C#/B Eb

I think my heads on straight

Bbm

And I think she knows

Eb

Hell there goes my secret

END OF CHORUS

REPEAT SAME PATTERN AS ABOVE (VERSES **G#**, **Bbm**, **Eb**, **G#**)

Recollection Phoenix

I wonder when the hell did I get older

My mind s still on my woman

I wonder what she thinks of when I hold her

Judging by the silence

You might think the road has made her colder

But I can t live without her

And I can t remember if I ever told her

CHORUS

INSTRUMENTAL

Recollection Vegas

Colder then it was that time in Reno

Listen to the night move

Go out to the girls in the casino
