Recollection Phoenix
I wonder when the hell did I get older
My mind s still on my woman
I wonder what she thinks of when I hold her
Judging by the silence
You might think the road has made her colder
But I can t live without her
And I can t remember if I ever told her

CHORUS INSTRUMENTAL

Recollection Vegas
Colder then it was that time in Reno
Listen to the night move
Go out to the girls in the casino
