Recollection Phoenix

I wonder when the hell did I get older

My mind s still on my woman

I wonder what she thinks of when I hold her

Judging by the silence

You might think the road has made her colder

But I can t live without her

And I can t remember if I ever told her

CHORUS

INSTRUMENTAL

Recollection Vegas

Colder then it was that time in Reno

Listen to the night move

Go out to the girls in the casino
